

allowances will be granted during the practical course (of one year in the case of Civil Engineering Students and two years for Mechanical Engineers) which will follow the theoretical course. The period of training in the practical course will count as service qualifying for pension, provided the scholars are entertained in the Mysore Public Works Department soon after they pass out from the College. They will also be bound to enter into an agreement to serve the Mysore Department after they pass out, should their services be required by the Mysore Government, or to refund the full amount of the scholarships drawn by them if they refuse to serve.

3. *The Medical Scholarships* will be worth Rs. 25 a month, and will be tenable either at the Madras Medical College, or the Grant Medical College, Bombay, in the former College for a period of four years if the scholars choose the L. M. & S. Degree course, or for a period of five years if the scholars choose the M. B., C. M. Degree course; in the latter College for a period of five years. Candidates must have passed the F. A. Examination.

4. All candidates must be natives of Mysore. They should state their age, caste and father's name and profession in their application.

5. All candidates must produce medical certificates of physical fitness from the Senior Surgeon, Mysore Government.

6. The continuance of the scholarships will depend on favorable reports of conduct and progress received from the Principal of each College, and on passing the periodical examinations.

7. Applications for the Engineering and Medical scholarships must be sent to the Inspector General of Education in Mysore not later than Monday, the 29th June 1903. Applications from students of Colleges should be sent through the Principal or Headmaster.
